Friends

There's no place like home that's what they say

Where is home? You say

Where you want it to be your safe place.

My home is my friends in Coventry

Newman is my home

A place. When hard times come good times always follow.

A place With friends who stick by you through it all

Have fun with you

Laugh with you

Cry with you

Smile with you

be joyful with you

Be with you always

For as dorothy from Oz said there's no place like home

A safe space
