

Young People's Runner Up

Tanya Gupta Kaur

"Safe at last"

So quiet
So peaceful
I love it in here
A place of my own
Where I have no fears.

Where tears stop running
Your heart is kept warm
Every time I'm here
A new feeling is born.

I'm safe in your place
You give me strength
I'm safe in your arms
You fight everything I'm up against

My mother's arms is my safe place
When she holds me tight
And tells me it's okay.

She is my safe place
She is my four walls
When everything is cold
She is what keeps me warm

My mother's arms, where I fall asleep
Knowing when I wake up, everything will be sweet.

Almost as sweet as her voice
Almost as sweet as her hugs
My safe place is my mother's love.
