

Who do you think I am?

Why do you think you can define my identity?

I am who you think I am!

My identity is in your hands.

I introduce myself as an Indian!

Awww but you don't look like them.

They are South Indians but I am from the North.

I introduce myself as English!

Awww but you don't look like them

My parents came from India but I was born in England.

I introduce myself as an Asian!

Awww but you don't look like them

I am not Chinese, Vietnamese or Korean.

I introduce myself as a Sikh!

Awww but I assumed you are Muslim or Hindu

I am wearing my kara, one of the five Ks.

I introduce myself as a Coventrian!

What is that? Where is that?

The city in the heart of the UK

Am I a Coventrian Sikh?

My identify is still defined by others

Who am I?
