

Helping Hand

A bloody nose bleed
Out of the blue,
I really didn't know
What to do.

I knock the wall
And Sukhi's there,
It's not something
She wants to share

But here she is
Set to be helpful.
We're worlds apart.
I'm feeling shameful,

Blood's really mucky
Her work's hard labour.
But I'm VERY lucky
To have such a neighbour.

THANK YOU
