

It's all Greek to me! By Judith E. Roberts

Pistis, you naughty girl
You've been a real scamp
You haven't done your homework
But I'm turning off the lamp

Elpis, your little brother
Well, he's as good as gold
He never answers back
So does not need a scold

But the *agape* here within my heart
Goes out in equal measure
Because when *love* is always there
It gives me so much pleasure.
