

## WHAT IS LOVE ?

Is love like a ruby amulet shining strong  
and bright ?

Can love be deceiving but never out of  
sight?

Does Love Feel like a thumping heart  
beat always ready to take a quick flight,  
until it comes down again turning into a  
calm tide.?

A wiseman once told me love can  
symbolise the ocean so calm and warm  
but can also symbolise a rough strong  
storm.

Love can mirror our emotions in so many  
ways and will always be the one thing  
that will always save us and remain.
