

## **Dave By Caroline Davies**

My darling. I have eyes for only you  
Doing what you do to make me happy  
I am your forever and you are mine  
Can't underestimate  
By calling you soul-mate  
When you are ever more than even this

My heart beats for only you  
Not beating red but Coventry blue  
3 spires inspired  
We plighted our troth two decades ago  
Made this City our home  
Glorious adventures and memories grown

Love you more than all the grains of sand on all the beaches in the world; for you  
I would dance naked high above the stars  
And in my descent catch a sparkle just for you  
And a moonbeam, and a hundred thousand M&M's and I would give them to you  
And you would save me the blue  
As you always do.

You put the Aitch in hero.  
What would I do without you.
