

PERSPECTIVE OF THE BLUEFIN TUNA

THIS RIGHT HERE IS A TUNE-A
ABOUT THE ENDANGERED TUNA
I'M A TUNA THAT WEIGHS 150KG
BUT NOBODY LOOKS AFTER ME

I CAN LIVE UP TO 40 YEARS
BUT PEOPLE ARE KILLIN' ME AND MY PEERS
I CAN DIVE 3000 FEET
BUT PEOPLE ARE KILLIN' ME FOR MY MEAT

YE MY NAME IS WALTER
BUT HUMANS POLLUTE MY WATAH
I BE SWIMMING 43 MILES PER HOUR
BUT THE ACID IN THE WATER MAKES IT SOUR

I'M STUCK SWIMMIN' IN THE PLASTIC
IT'S NOT GOING TO CHANGE IF THERE ISN'T SOMETHING DRASTIC
YEAH YOU HUMANS OVER-FISH
ALL YOU WANT IS ME ON A DISH

YE I LAY 10 MIL EGGS A YEAR
AND ALL YOU HUMANS SIT THERE AND CHEER
DO YOU EVEN SHED A TEAR
WHEN MY END COULD BE NEAR

YOU MAY NOT THINK ABOUT ME BUT THINK ABOUT YOUR PETS
HOW WOULD YOU FEEL IF THEY WERE IN THE NETS
INCREASE PROTECTED AREAS AND ENHANCE CONTROL
ALL THIS FISH DEATH IS TAKING A TOLL

IMPOSE A BAN ON FISHING IN INTERNATIONAL WATER
THAT NEXT FISH YOU CATCH MAY BE MY DAUGHTER
WHY USE PLASTIC WHEN YOU CAN USE PAPER
WHY WAIT IM GONNA BE EXNTICT SOONER OR LATER

IM EASILY RECOGNISED BY MY BLUE FIN
WHY KILL ME SO YOU CAN PUT ME IN A TIN
ITS NOT JUST ME OTHER FISH ARE DYING
BUT YOU HUMANS KEEP ON FRYING

I LIVE IN THE OCEAN ASWELL AS THE SEA
BUT I ALWAYS END UP AS YOUR TEA
IM JUST MINDING MY OWN BUSINESS, SWIMMING WITH GLEE
ALL YOUR HUNTING MAKES NO SENSE TO ME

THINK OF ME THE POOR BLUE FIN

PLEASE PUT UR FISHING RODS IN THE BIN

Oliver Randle
